Make a Noise

In the coming weeks we will be providing our school with access to a new online platform for reporting bullying:

- online reporting of bullying by pupils and parents
- access to resources, self-help advice and helplines
- a one-stop shop for all aspects of bullying/cyberbullying.

At Hayes Primary School we believe that children and young people have many rights and one of them is the right to be safe. We value and work towards the emotional health and wellbeing of all our children and young people. We aim to create an environment of respect where anti-social and bullying behaviours are not accepted or tolerated.

As a school we define bullying as 'wilful behaviour which repeatedly and purposely aims to hurt, intimidate, frighten, harm or exclude another individual or group'.

You can find more information this this in our behaviour and anti-bullying policy found on the school website.
