Trinity V Hayes – 5 - 0 **WIN**

On Thursday 16 November, ten girls took part in the final game of the Autumn term football challenge against Trinity, Bromley. We arrived in plenty of time and enjoyed the warm up on their new Astro pitch. As soon as the game started we looked confident and within a few minutes scored our 1st goal. Three further goals followed in the 1st half ending 4-0. The second half started as well as the first and we were soon on the score sheet again! Well done to all the girls who took part a superb all round performance, goals from Mili (2), Erin, Lily and Katie.

Yr5/6 Boys Football Competition

On Tuesday 7 November, eight boys made their way to Bromley Football Club to take part in the Bromley inter-school Boys football completion. 13 schools took part in the day's completion and Hayes were put into Group 2 with Parish, Burnt Ash, Pickhurst, Harris CP, St Marys and Balgowan to play 6 minute matches.

Our first match was against Parish and was very close finishing 1-1. Our second and third matches against Burnt Ash and Pickhurst, once again were close but we lost both 0-1 and 0-2 respectively. Our fourth match against Harris CP again a very close match and the score remained 0-0.

The fifth and sixth match against St Marys and Balgowan, the boys passed the ball much better and won both matches, 2-1 and 3-1.

Well done to James, Zak, Robbie, Teddy, Cameron, Sam, Flynn and Jesse.

Cross Country Match

On a very wet Saturday morning 11 November, 27 children from Yr5 & 6 took part in this annual event. This year, because of the number of children participating the organisers amended the format and there were separate races for Yr5 Girls and Boys and Yr6 Girls and Boys. Overall, 995 children took part from 54 borough schools.

The first race was Yr5 Girls, everyone was very excited despite being a little cold and wet! The girls ran amazingly with Erin finishing 7th out of 214 runners, in a time of 8.23 and the first 5 girls coming in the top 100 runners! Our team finished 4th out of 23

The second race was Yr5 Boys, again with some amazing result with Jesse finishing 8th out of 309 runners in a time of 7.44. Team finished 10th out of 29
