## What? (Key Knowledge)

<b>The Last Supper</b>	 <p>Jesus used the <b>bread</b> to symbolise his body and the <b>wine</b> his blood. This was a sign that Jesus knew what was coming, i.e. that he was going to die soon.</p>
<b>Palm Sunday</b>	As Jesus rode on a donkey into Jerusalem, people cut branches from the palm trees and placed them on the ground in front of him. This was as a sign that they believed his message and that he was King. The leaders in Jerusalem were jealous.
<b>Good Friday</b>	Jesus was crucified alongside two thieves. Jesus' body was taken down from the <b>cross</b> and placed in a stone <b>tomb</b> .
Why did Jesus die?	Jesus' death was part of God's plan to show people they can be forgiven and start afresh. Christians believe God made a beautiful world, but when people started forgetting how to be good to each other and how to look after the planet, He sent Jesus to make things better, to save the day, to redeem the situation. This meant forgiving people for what they had done wrong.
