

# E-safety bulletin

Resources, articles and tips via clickable links!

## 1. Setting boundaries for gaming.

Attached as a pdf are top tips for setting boundaries for gaming, courtesy of National Online Safety.

## 2. Safeguarding soundbites!

Ineqe Safeguarding Group release podcasts on topics that range from banning mobile phones in secondary schools to TikTok and AI scams.

## 3. Setting up and using the Google Family Link.

Internet Matters have put together a great article with details on how to set up and use the Google Family Link. This allows parents to have greater management of their child's Google accounts (e.g Youtube) and Android devices.

## E-safety thought...

Do you ensure that positive experiences online are also celebrated? (not just the harms and negative aspects of online life!)
