AFTER-SCHOOL GYMNASTICS CLASSES

Tuesdays and Wednesdays

Dear Parent/Carer,

Spaces are available for the after-school gymnastics club.

At the Club children will have the opportunity to learn gymnastic skills in a safe and enjoyable environment. They will learn how to develop acrobatic floor skills, learn to Vault, learn to develop Bar routines as well as Tumbling on our trampette.

The Coaches are all fully qualified and insured, indeed one of the coaches is a National Coach who has taken gymnasts to the British Championships and various Internationals.
