JANUARY 2025

AFTER SCHOOL CLUB NOTICES

HAPPY NEW YEAR 2025!

Centre Stage returns to Hayes Primary on Thursdays and Fridays. We are so excited to get our new term started and welcome lots of students to the Centre Stage Family, our classes and workshops at Hayes have been running since 2018 and we are so pleased to bring our After School Clubs back!

WHAT TO EXPECT:

Centre Stage Theatre Academy's After-School Clubs offer students an exciting opportunity to explore the world of Performing Arts in a fun, supportive, and inclusive environment. Through acting, singing and dancing, students can develop confidence, teamwork, and communication skills while expressing themselves creatively. The focus is on making every session enjoyable and engaging, ensuring that students not only learn valuable performance techniques, but also build friendships and discover the joy of the arts. Whether beginners or budding performers, every child is encouraged to shine in their own unique way!

HOW TO BOOK:

MEET THE TEACHER:

Niamh started at Centre Stage as a student in 2014, she went on to train professionally at The Brit School and The Brighton Academy. Since graduating Niamh's passion and love for teaching has grown and she now works full time with Centre Stage throughout the week. The children love Niamh because she loves them and gives everything to her role to make sure her students are always having the most fun.

January - March 2024

Welcome to our first term! We know the best place to learn about the stage is on it! So you will get the opportunity to see the students perform every term.

This term the students will be working on songs and scenes from the hit musical WICKED!

Our aim for this term is to get to know the students and their abilities, we will also have lots of new students joining us each week so our focus for this half term is to work on the core techniques required in acting, dance and singing. Later in the term we will start work on a small showcase. The performance will take place on the last day of term.

SPACE AVAILABLE:

As a brand new club we would love your support to make sure our students are having the best time, a busy club is always best, so please spread the word that we are back at Hayes and can't wait to get started!

FRIENDS OF CENTRE STAGE FUNDING:

Friends of Centre Stage is our parent led charity that raises funds throughout the year. Each After School Club has one space funded every term, the funding application is emailed out by FoCS every term. Each year the FoCS raise thousands of pounds, all of which is reinvested into our community and productions so that as many young people benefit as possible. In 2024 FoCS funded over 100 spaces at classes and workshops with Centre Stage.

MEET LAUREN:

My name is Lauren Davies, I'm the After-School Club Coordinator here at Centre Stage. I have been a part of the Centre Stage family for over 10 years, when I first started working at Bickley Primary, the first ever CSTA After School Club! Since then, I have worked at lots of schools and academies with Centre Stage and love nothing more than passing down my passion for performing to my students and my team! I'm always available should you have any questions and love to hear from parents with any feedback, so please get in touch via email at lauren@centrestagetheatreacademy.com.
