11th December 2019

Dear Parents and Carers,

We are really excited to share with you that as of Monday 13th January the children will be enjoying regular woodwork sessions at school. This will involve small groups of children (no more than 8 children working with 2 adults) creating wooden models using saws (1:1 only), hammers, screwdrivers, nails and screws. These activities have all been risk assessed and the children will be closely supervised. This opportunity will benefit the children and develop their fine motor control, imagination, collaborative learning and awareness of safety. We know the children are going to love this activity and hope you will be as excited as we are! If you do have any questions please do not hesitate to speak to your child's class teacher.

To help this project get underway we would appreciate the following things:

- Buttons
- Beads
- Scraps of material or fabric
- Off cuts off wood

We would also appreciate the support of a few parents who would be willing to come in and help the school staff to run this project on a Monday afternoon (some training will be given). If you are interested please complete the slip below and return to your class teacher.

Many thanks,

Mrs Hussein
EYFS Team
