Dear Parents/Carers,

Re: Year 6 production

We are sincerely hoping that we will be able to do a Year 6 production towards the end of this academic year. The logistics around this are yet to be confirmed; our ideal scenario would be for it to take place at Hayes Secondary School with a live audience. However, this is not certain and will depend on many aspects coming together including the Government Roadmap going ahead and restrictions being lifted on 21st June.

In the eventuality that this will not be possible, we will consider a recorded performance which will then be distributed to parents. This distribution could be in the form of a private YouTube video. In order for the recording to take place, we must obtain permission from all children's parents/carers. These permissions will be considered when assigning roles for the production.

To give permission for this, please return the slip below to your child's class teacher as soon as possible.

Yours sincerely,

Miss Wilcox, Mr Sieber, Miss Thornley and Miss Bodycombe
The Year 6 Team

I give permission for my child to be recorded in the Year 6 production and for this to be distributed amongst parents. I understand this distribution may be in the form of a private YouTube video.
