Dear Parents/Carers,

Re: Book donation on birthdays

The school council have chosen to offer a new option for treating the class on your child's birthday. Rather than bringing in sweets to hand out, children can bring in a book to donate to the book corner in their class. This will not only provide all the children with a larger variety of books throughout the year, but it will also give the birthday boy/girl the chance to share their thoughts on it and recommend it to their peers.

The school council would like to reassure children that they may still bring in sweets for the class if they would like, however, if they would also like to donate a book this would be greatly appreciated.

If you have any questions, please don't not hesitate to contact myself or your class rep.

Yours sincerely,

Miss Newman
School Learning Council Lead
