

3rd September 2018

Dear Parents and Carers,

Re: Break and Lunch times

As you may have seen, over the summer, we have made some improvements to the school field. We have installed hazel fencing to create shade and play areas, a large sandpit and mounds and trenches. In the next few weeks, we will have created access to the large mound so children can also play up there.

Children are welcome to change in to their trainers before break and lunchtime if they would like to.

The children loved the new additions today and it was fantastic to see them playing happily:

If you have any spare buckets and spades, please bring them in to the school office marked for the attention of Mrs Jones (our Lunchtime manager).

We are keen to develop the field further so if you have access to or know anyone who could provide the school with use of a digger, please contact me via the school office.

We look forward to more exciting developments over the next few weeks!

Yours sincerely

Mr Vitarana
Headteacher
