September 2018

Welcome to the first PE & Sports Newsletter of the new school year. There are lots of great things planned for the children coming up in the next few weeks and months. We have been very lucky to secure a grant from Hayes (Kent) Trust to purchase some new football goals for the school, these have now been received and should be on the school field very shortly.

For the past few years, we have taken over 200 children to sporting events throughout the borough and hope to do this again this year! The children are always very proud to represent the school in the school kit and once again we would love to hear from any parents/businesses/sports clubs that could sponsor a kit. If you can help please contact Mrs Swift via the school email address [admin@hayes-pri.bromley.sch.uk](mailto:admin@hayes-pri.bromley.sch.uk) thank you.
