## Orpington and District (Bromley) Football Association Tournament Girls

On Friday 28 September 2018 the HPS Girls football team took part for the first time in the above tournament held at Pickhurst Junior School. 9 teams taking part were split into 2 groups, the winners and runners up of each group would then play final games where the 2 winners would be invited to take part in the finals on Friday 19 November 2018.

HPS were put into a group with Pickhurst, Parish, Alexandra and Hawes Down. The team did really well winning against Pickhurst 1-0 and Parish 2-0, drawing with Hawes Down and losing to Alexandra 1-0. With these results it meant the team went through to the last game to play St Nicks Chislehurst.

This was a very close game and the score at the end of the match was 1-1. 2 minutes of extra time was played but the scored remained the same. So to penalties! Niamh, Bayley and Emma were selected to take the penalties and each scored. St Nicks missed their second penalty so we won the game and through to the Finals!

Well done to all the girls that played - Emma, Sophie, Bayley, Niamh, Ella, Alice, Nell and Sofia.

## Inter-schools Year 5/6 Girls Football Competition

On Wednesday 17 October, 9 girls from Year 5 took part in the Bromley Schools/Premier Stars competition which was held at Kent Cricket Ground, Beckenham and run jointly by CPFC and School Games Organisers. It was a great opportunity for the girls as the Yr6 team were away on their residential trip! 10 schools took part in the morning session and a further 10 teams took part in afternoon session. Hayes were put in a pool of 5 teams which included Balgowan, Southborough, Cudham and Keston. The girls played really well winning 1-0 against Keston, drawing 0-0 with Cudham and losing out narrowly to Balgowan and Southborough.

The girls had an amazing afternoon and thoroughly enjoyed themselves, especially when they were presented the Fair Play award chosen by CPFC and the prize was to be mascots at the next CP Ladies match at Bromley FC.

Bertie Sutton – Year 2

My name is Bertie Sutton and I am in 2l.

Three weeks ago I did my tenth 5k parkrun in 28 minutes and 23 seconds. When I completed ten parkruns I felt really happy and proud of myself. When I'm running sometimes it feels really hard and sometimes it's really easy. I improve nearly every time and now I'm faster than my Mummy so I run with my Daddy.

Afterwards I met Paul, the inventor of parkrun and last week I did a parkrun in Florida while I was on holiday.

I also run at the 2k junior parkrun in Norman Park which is on every Sunday.
