Dear Parents and Carers

Coronavirus

For your information, Public Health England has issued the following guidance in relation to coronavirus (COVID-19):

- if you have symptoms of coronavirus infection (COVID-19), however mild, stay at home and do not leave your house for 7 days from when your symptoms started.

The most common symptoms of coronavirus (COVID-19) are recent onset of:

- new continuous cough and/or
- high temperature

Further information can be accessed via this link

<https://www.gov.uk/government/publications/covid-19-stay-at-home-guidance/stay-at-home-guidance-for-people-with-confirmed-or-possible-coronavirus-covid-19-infection>

We are therefore asking parents to monitor their child's health, if they notice a new continuous cough or that their child has a high temperature, parents should follow the most up to date information on the Public Health England website. The current guidance is to stay at home for 7 days.

The school will continue to remain open for pupils who are fit and well to attend school. We will be monitoring the guidance from Public Health England. In the event of a school closure, we will set home learning tasks that will be accessed via the school website. Further information will be shared if a school closure becomes necessary.

Yours sincerely

Mr Vitarana
Headteacher
