During this time, we welcome all the students and they get to know their teachers and other students who they will be working with that day using some fun Drama Based exercises to get to know each other even better.

9:30am – 12:30pm

Session 1: We will start with a full warm up, before getting our teeth stuck in to our main musical number for the day, students will work on songs and scenes from all their favourite musicals and movies.

During this time we will have a short snack break and there will be plenty of opportunity to visit the toilets.

12:30 – 1:30pm

Our lunch break is a full hour, but we also offer the opportunity to take part in some arts and crafts focused around our theme for the week.

1:30 – 3:00pm

Session 2: The afternoon session is all about piecing together the mornings work, it could be focus on adding a scene to the musical number, or fine tuning our singing.

3:00pm – Performance time

We will put together everything we have done that day into a final performance. Followed by a cool down exercise and getting ready for home.

Parents will be invited in at 3:20 each day to see what the students have been doing, but if you are booked in for the week i'd save the magic for the performance on Friday!
