January 2019

Welcome to the first PE and Sports Newsletter of the spring term.

It has been a busy start to the new term with children attending Sportshall Athletics, New Age Kurling and hockey competitions. With tag rugby competition and football matches coming up later in the term. We look forward to bringing you all the results and reports of these over the coming weeks/months.

Sportshall Athletics

On Thursday 17th January 2019, 9 boys and 10 girls from Year 5 and 6 took part in the Bromley Primary Sportshall Athletics competition at Langley Park School for Boys. Twenty schools attended over 2 sessions; Hayes Primary took part in the morning session with six other schools, the remaining schools competing in the afternoon. The children competed in relay races over different distances, as well as some field events including standing long jump, vertical jump, ball push and speed bounce. All times and distances were then collated together and the results reported. Hayes Primary did fantastically coming 7th, beating last year's placing by 3 positions. Oak Lodge Primary won overall.

Well done to everyone who took part:

Erin, Gabriella, Kayla, Tilly, Emma, Louisa, Adure, Hope, Lily and Libby.

Jesse, William, Nathaniel, James, Lucas, Edward, Finn, Zak and Max.

New Age Kurling

On Wednesday 23 January 2019, I was delighted to take four year 4 boys to a New Competition of New Age Kurling at Coopers School Chislehurst. New Age Kurling is a form of the original game of curling but adapted so that it can be played indoors on any smooth, flat surface. Fifteen teams took part and were put into 5 groups, HPS were placed in a group with Cudham and Keston. The children did exceptionally well winning all their games, which consisted of 3 ends per game. As winners of the group HPS went onto the Cup competition to play against Claire House and Harris. This was a very tight group with each school winning a game each. Overall HPS finished second to Claire House by 1 point!
