## 'Girls Only' Rugby Training

On Friday 8<sup>th</sup> March I took nine year 5/6 girls to Hawes Down School for a very special 'Girls only' rugby training session with coaching being provided by the Ladies team from the Beccehamians RFC.

The session started with a warmup with relays incorporating grounding the ball and introduction of ball presentation. Then the session progressed onto wheel tag. The groups were then split into small grids for 5 pass game, with players getting used to passing and catching the ball and finding space. This progressed into touch rugby games. To finish the session off contact was incorporated with some fundamentals of tackling!

The Girls had a great time despite the cold weather and we hope to see some of these girls taking part in further Rugby initiatives.
