Dear Parents/ Guardians

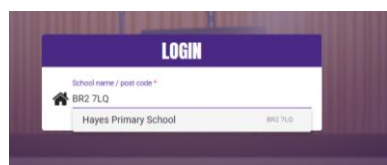

**Re: Times Tables Rock Stars**

In June 2020, all year 4 children will sit a statutory multiplication check. To support the children with achieving their full potential, we have signed up to an exciting program called Times Tables Rock Stars. In this program, the children will be able to create their own avatar and choose a rock star name. They will take part in a series of multiplication challenges set by their class teacher to support their times tables recall. All challenges are completed to fun and lively music.

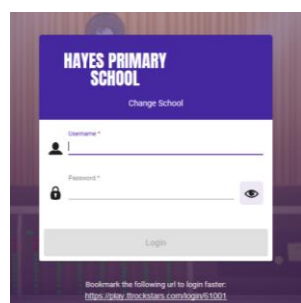

This week your child will be given their individual log in details. They will be shown by their class teacher how to use the program. To log in at home, download the app or visit [www.ttrockstars.com](http://www.ttrockstars.com) and follow the steps below:

Select login and school pupils.

Type in the school's postcode BR2 7LQ and select Hayes Primary School

Type in your child's individual password and username.

Thank you for your continued support.

Yours sincerely

**Miss Salter, Miss Laffan and Miss Cook**  
Year 4 team
