and must not be brought into school*

### Mrs Sced is bidding us farewell

It is with great sadness that we say goodbye to Mrs Trish Sced on Thursday 17<sup>th</sup> October. Trish is embarking on a new fantastic adventure as a Children and Family Support Centre Officer at The Bromley Children's Project. Mrs Sced has been with us at Hayes Primary School for 7 years and will be sorely missed. We wish Trish the very best of luck in her new role and future endeavours.

### Special Lunch Menu

Please be advised we are having a special lunch menu on Thursday 3<sup>rd</sup> October. Should your child normally have a packed lunch and would like to have a school dinner on this day, your child needs to advise class teacher at registration, and the meal can be paid for via parent pay. Please note that EYFS, Year 1 and Year 2 have Universal Free School Meals, so payment is not required.

### Lunch Options

If your child is changing their dinner option, from packed lunch to school dinners for example, this needs to be in writing to the school office. A two week notice period is required.

### Parking and Driving on George Lane

Please be reminded to remain courteous towards our neighbours, and to park and drive sensibly in George Lane. During the afternoon the school car park for EYFS and KS1 does not open until 3pm. Therefore, please do not enter George Lane until the car park is open as this causes serious congestion to our neighbours trying to enter and leave their properties, and would block access for emergency vehicles. KS2 parents should only come into George Lane if it is absolutely necessary.

### Medication

Many thanks for those of you that have returned medication into school. If your child requires medication in school, please bring this into the school office with the appropriate forms completed. These can be printed off of the school website or are available in the school office.

### Donations of tissues

Many thanks to those parents who have donated boxes of tissues. The continued donations of tissues are really appreciated.

### Hay Fever

At an allergy conference last year attended by members of the Bromley Healthcare Team, it was suggested by a Consultant in Paediatric Allergy, that children be given a long acting non-sedating antihistamine such as Cetirizine (once a day), rather than a short acting sedating antihistamine such as Piriton. Parents should speak to their GP or pharmacist for any further information and advice.

*If your child does suffer from Hay Fever, could you please ensure that antihistamine medication is given to your child before coming into school in the morning.* This will ensure your child is protected, will prevent symptoms from developing, and they will therefore be able to focus and concentrate in class. Your cooperation is really appreciated.

### Staff Car Park – Please DO NOT walk through

Please be reminded that parents and children should **NOT** walk through the staff car park at any time as this is in constant use. This is extremely dangerous so please ensure you walk on the footpaths provided. Thank you for your cooperation.

### Items for the day

It is essential that pupils have all the items they need for their day, with them when they come into school in the morning. This includes water bottles, packed lunches, musical instruments, sports kits etc. It can be very unsettling for children if they do not have all of their necessary items with them, and can cause upset. Therefore, could we please ask that you ensure your children have everything they need for that day, with them when they come into school at drop off. Many thanks for your support in this matter.

### Reporting Absences - Daily

Please be reminded that any absences have to be reported to the school no later than 9am. ***An absence MUST be reported every day until your child returns to school, even if this is a continued absence.*** This ensures we can follow our Safeguarding procedures. Many thanks for your cooperation in this matter.

### Clubs at Hayes Primary School

All club information can be found on our School Website under “Pupils” then “Clubs”. Please visit this site for all information regarding the clubs held at school. These are for information purposes only and do not constitute a recommendation from the school.

**Clubs (Autumn 19)** – the Clubs Timetable is available to download on the HPS website <https://www.hayes-pri.bromley.sch.uk/attachments/download.asp?file=5092&type=pdf>.

Please contact the required club direct for bookings or enquiries

See Website for club flyers

Netball Club- see attached for flyer

### Change of Collection

Please be reminded that should you have a change in collection, and the person collecting is not on your authorised list, please ensure an email is sent to [admin@hayes-pri.bromley.sch.uk](mailto:admin@hayes-pri.bromley.sch.uk) **before midday** on the day of collection. This is to ensure the message is received and acknowledged by class teacher before the end of the school day. We

understand some emergency situations can occur where this is not possible, however please endeavour to advise the school by email as early as possible. Your cooperation in this matter is appreciated.

### **Named School Items**

Could we please ask that all of your child's belongings are clearly labelled with their full name. Should any items be misplaced or lost, this ensures they can be easily returned to their correct owner. Lost property is housed at the front of the school by the picket fence should you wish to have a look for any lost items.

### **Pupils coming back into school at the end of the School day**

Please be reminded that once your child has been dismissed at the end of the school day by their class teacher, they are not permitted to re-enter the school building via the doors from the playgrounds.

Should you or your child need to come back into school, please ensure entry is via the school office where you can be signed in if necessary. This is vital for fire evacuation procedures and safeguarding.
