Hayes School - KS1 and KS2 Musical Theatre Club's

Centre Stage returns to Hayes Primary in January 2019 and we are excited to launch our BRAND NEW KS1 Club for Children in Reception – Year 2 on Thursdays after school.

Musical Theatre Club combines aspects of Dance, Drama and Singing as students focus on building their confidence, enhancing social skills and learning new techniques in performing arts.

Our clubs are not just somewhere to learn performing arts they also provide a great outlet for the students to express themselves, make new friends, as well as getting up on the stage every year in a professional theatre!
