

Thursday 14th November

Dear Parents/Carers of 2S,

Re: pBuzz Club

The children have absolutely loved learning the pBuzz this term and Mrs Brock has had so much fun teaching them! We would like to run a 'pBuzz Club' to give the children the opportunity to continue playing the pBuzz and to progress further on the instrument. This would also allow them to build up the skills required to play an instrument and hopefully progress into a more formal instrument when they are little bit older.

This initial letter is to gather numbers of interested children to work out if it financially viable. The club would consist of 10 half-hour sessions each term during a lunch time at a total cost of around £25-35. The children would also need to have their own pBuzz for the club which are available to purchase on many different websites, including Amazon.

If your child would like to be part of pBuzz club, please return the slip below to Mrs Savvides by Friday 22nd November. We will then be in touch regarding exact costs and other details.

We hope this will encourage the children to continue all the hard-work they've put into learning the pBuzz this term and to continue having lots of fun making music!

Many thanks,

Miss Wilcox and Mrs Savvides
Music Leader

FAO: Mrs Savvides and Miss Wilcox

Re: pBuzz Club for 2S

My child, _____, would be interested in being part of the pBuzz club at a cost of around £25-35.
