Tuesday 3rd December

Re: Year 4 Fire Building

Dear Parents/Guardians,

On Monday 9th December, Year 4 will be building fires on the school field. This links to the topic of survival which we will be covering in English that week.

As the children will be outside all afternoon, please bring in a set of old clothes which you do not mind getting smoky and dirty. The children will need to come into school in their uniform and will be able to change into their old clothes at lunchtime. They will change back into their uniform before the end of the day.

This activity will be weather dependent and therefore if the weather is unsuitable on Monday, it will not take place.

Many thanks for your continued support.

Yours sincerely,

Miss Salter, Miss Laffan, Miss Cook
