<https://volunteersignup.org/CTL47>

Points to remember* – please read as there are some changes this term.

- Enter the disco through the Year 5/6 door at the rear of the car park. It will open at 4.15 pm. Please stay with your child until they are safely inside the building and signed in.
-

We will have a list of those who have bought tickets via ParentPay. Please ensure your child's name is ticked off at the door. **You will not need to print tickets.**

- No coats please – there's nowhere to hang them.
- No parents please, other than those helping, there's nowhere to wait!

□ A member of staff will be able to access the **contact details or medical information** for each child attending the disco as kept in the school records. Please ensure that the school record details for your child are **up-to-date**. It is important that we can contact you if needed.

- We'd like everyone to have a great time so bad behaviour in every case will be reported to the SLT member on duty.
- Please collect your child from the large hall at 5.30pm. No child will be allowed outside of the hall, or to the car park, without an accompanying adult.
