JTA Competition – Design a Pollution Free Vehicle

The JTA Team are excited to announce their next competition. We would like all pupils of KS1 and KS2 to design a pollution free vehicle.

The design needs to consider:

- What type of vehicle will it be?
- What fuel will the vehicle use/how will it run?
- How many passengers will the vehicle hold?
- How is the vehicle helping the environment?

All entries are to be handed into the school office by **Monday 10th February**. We look forward to seeing all of your wonderful designs.

Did you know?

- Air pollution is anything that causes the air to become contaminated with pollutants at levels harmful to our health or the environment.
- London has suffered from air pollution since the beginning of the Industrial Revolution in the 18th century. Smoke and fog together create "smog" which makes it really hard to breathe and see clearly. More than 4000 people died in the Great London Smog in 1952.
- Today there are about 23million vehicles on the road in Britain, and 20 million of them are cars.

Opal Loose Part Collection

As part of our OPAL initiative looking at play at Hayes Primary School, we are collecting loose parts for use at playtimes! Loose parts are any materials that can be easily moved, combined and incorporated into children's free play. Please see the parentmail sent 10th January for more information.

Lunch Options

If your child is changing their dinner option, from packed lunch to school dinners for example, this needs to be communicated in writing to the school office. A two week notice period is required- this is requested by Olive Dining.

Please be advised that the Spring Term 2020 School meal details and menu are now available on the school website.

Donations of tissues

We would continue to welcome any donations of tissues which the children can use in school. Therefore, if you are happy to provide a box of tissues, if this donation could be given in at the School Reception, this would be gratefully appreciated. Many thanks to those parents who have donated boxes of tissues. This is really appreciated.

Items for the day

It is essential that pupils have all the items they need for their day, with them when they come into school in the morning. This includes water bottles, packed lunches, musical instruments, sports kits etc. It can be very unsettling for children if they do not have all of their necessary items with them, and can cause upset. Therefore, could we please ask that you ensure your children have everything they need for that day, with them when they come into school at drop off. Many thanks for your support in this matter.

Reporting Absences - Daily

Please be reminded that any absences have to be reported to the school no later than 9am. ***An absence MUST be reported every day until your child returns to school, even if this is a continued absence.*** When reporting the absence, please provide full details including symptoms of illness so it can be correctly reflected in our records. This ensures we can follow our Safeguarding procedures. Please see the letter circulated 29th November for full details. Many thanks for your cooperation in this matter.

Parking and Driving on George Lane

Please be reminded to remain courteous towards our neighbours, and to park and drive sensibly in George Lane. During the afternoon the school car park for EYFS and KS1 does not open until 3pm. Therefore, please do not enter George Lane until the car park is open as this causes serious congestion to our neighbours trying to enter and leave their properties, and would block access for emergency vehicles. KS2 parents should only come into George Lane if it is absolutely necessary.

Clubs at Hayes Primary School

All club information can be found on our School Website under "Pupils" then "Clubs". Please visit this site for all information regarding the clubs held at school. These are for information purposes only and do not constitute a recommendation from the school.

Clubs (Spring Term) – the Clubs Timetable is available to download on the HPS website

See Website for club flyers

Wellies

Please can you ensure that your child has appropriate clothing for the weather in school each day and a **named pair of wellies** to be stored in their class welly store.

Change of Collection

Please be reminded that should you have a change in collection, and the person collecting is not on your authorised list, please ensure an email is sent to admin@hayes-pri.bromley.sch.uk **before midday** on the day of collection.

This is to ensure the message is received and acknowledged by class teacher before the end of the school day. We understand some emergency situations can occur where this is not possible, however please endeavour to advise the school by email as early as possible. Your cooperation in this matter is appreciated.

Named School Items

Please ensure all of your child's belongings are clearly labelled with their full name. Should any items be misplaced or lost, this ensures they can be easily returned to their correct owner. Lost property is housed at the front of the school by the picket fence should you wish to have a look for any lost items.
