Dear Parents/Carers,

Re: 28th March Concert - Postponed

I am writing to let you know that BYMT have made the decision to postpone the HUB Concert and competition final on 28th March 2020.

They have booked a space at Langley Park Boys' School on 20th June 2020 so please pencil this into your diaries although it is still a provisional date as they cannot put any firm plans in place at the moment.

They apologise for this postponement but hope you understand their decision in these uncertain times.

Yours sincerely,

Miss Wilcox
Music Leader
