

25th March 2020

Dear Parents/Carers,

I hope you and your families are all safe and well. I will be sending a weekly email just to see how everyone is doing and to check in.

If you do have any problems or questions about the home learning, please do email and we'll get back to you as soon as possible. Our new Year 3 email address is Year3shared@hayes-pri.bromley.sch.uk so you can contact us directly rather than through the admin account.

I've written a short message below for the children as I know this is a bit of a weird time for them and some had said last week that they would enjoy hearing from me. If the children would like to, I would gladly welcome any replies from them about what they have been up to.

Thanks,

Miss Horan

Message for the children:

Hi 3H,

I hope you're all well and have had a good week so far! It's been quite strange working at home and I'm missing not getting to see all of you which is why I thought I'd send you an email.

Even though I'm not at school this week, I've taken part in the Joe Wicks PE lesson on Youtube each day which has been very fun! Have any of you been doing this? After I've replied to emails and planned some work for all of you, I've been doing some nice relaxing things too. I've started a new book and even did some watercolour painting yesterday. Later on, I'm planning on doing a little bit of sewing.

I've set myself a challenge to try and read at least one book a week whilst I have a bit of extra time. Can any of you set yourself a challenge to try and achieve for the next few weeks? It could be about anything, it doesn't have to be to do with school!

Please feel free to send me some replies and let me know how you're getting on with your learning and about any other things that you have been getting up to. I'd love to hear from you! I'll send you all another email next week to see how're you doing and to let you know how my week has been.

From,

Miss Horan
