

Hello again 5H!

Well done for all your hard work last week ☺

I hope you have found this week's learning interesting.

Please send me some of your work so I can have a read, I would love to hear from you all!

What I have been doing this week

I have been VERY busy working on my laptop; shopping, cooking and cleaning; watching TV; going for walks on the fields and packing for my new home. My favourite thing was making a Roast dinner and watching Wreck it Ralph 2 on Disney +.

What have you been doing this week?

Challenges

Last week's challenge: A special thank you to Sienna and Sofia who shared their poem with me via email. Keep reading if you would like to read it...

This week's challenge: Send a photo in of the tallest toilet roll tower you can build.. NO CHEATING - you cannot get help from any tall adults!

I will email once more during Easter and then the next email will be from Mrs Field who is really looking forward to being your teacher.

Stay safe and be helpful at home. I miss you all gargantuan amounts!

Miss Herron

Last week's challenge - Sienna and Sofia's poem:

*Coronavirus STOP STOP STOP
You spread it around the countries a lot
You make the schools shut down
And turn everyone's smiles upside down*

*Coronavirus go away
You have completely ruined Sienna's BIRTHDAY
Coronavirus STOP STOP STOP
Everyone needs to SHOP SHOP SHOP*

*Some people think it's only the flu
But others think it's totally not true
Together we will pull through
With lots of love and kindness too*
