

Hello 5H/ 5F and happy summer term!

I hope you all managed to have a good Easter with your families and that the Easter bunny paid a visit. My little girls got so many eggs that they were kind enough to share some with me. We even ate chocolate for breakfast on Easter day.

I'm so sad that you didn't get to say a proper good bye to Miss Herron and that we won't get to start the new term properly together, but I am sure you are all working really hard on your home learning and I am excited to hear from you lots over the next few weeks. Please email me if you need any help or advice with your learning, but I would also love to hear about and see pictures of all the other wonderful things you have been doing at home. My little girl and I have been making lots of things out of toilet roll tubes (Including cars and monsters - I will attach some pictures below) and I challenge you all to make something from a toilet roll tube and send me a picture of what you create.

I hope you have all been out enjoying the sunshine. I am enjoying going for my daily exercise with my girls on their bikes and scooters. We have been spotting lots of rainbows in house windows as we walk past. Have you all done a rainbow for your windows?

I really hope I get to see you all soon. I look forward to hearing from you all over the next few weeks.

Take Care

Mrs Field
