Dear Parents and Carers,

Re Free School Meal eligibility

As a result of the current lockdown restrictions, we are aware that the income of families may have changed. Please find below links to the Government Free School Meal checker website and also the London Borough of Bromley website where you can apply for Free School Meals if you are a Bromley resident. If you reside in a neighbouring local authority, you will need to contact them direct. If your application is successful, you will become immediately entitled to support from school during closure and when your child is back at school.

If you would like to discuss this further or have any questions about applying, please contact us in confidence and we will endeavour to support you with your application or signpost you to any other support on offer within our wider community.

Yours Sincerely
