

HELLO FROM YEAR 3

Hello Year 3!

We hope that you have had a great Easter break and have had a good rest! We've all enjoyed our break and although we're actually quite happy to be back in a routine!

How are you all finding the home learning? We've already had a few emails sharing some of your work and have already seen a very impressive Roman shield! Don't forget that you can send us pictures of your work or messages about what you have been up to! Our email is year3shared@hayes-pri.bromley.sch.uk so please keep the emails coming in! 😊

Mrs Brady has been enjoying lots of time with her family and even had a family bake-off via Zoom with 9 teams. This delicious looking cake was her entry but unfortunately it didn't win 😞 It was very tasty though.

Miss Woolley has not yet completed her Harry Potter puzzle but has spent the Easter holidays baking, she decided to bake some mini blueberry cupcakes but she ate most of them before she took a picture! Opps! She also baked a Victoria sponge birthday cake for her mum. It took a long time to make and made the kitchen very messy but it was lots of fun and most importantly very tasty! Have any of you been helping in the kitchen to make some tasty treats?

Mrs Cottle has been spending lots of time chasing her naughty dog, Eddie, in and out of the garden as he keeps taking cushions and the remote control! She is enjoying spending lots of time with her family and doing quizzes on Zoom with

the rest of her family and friends.

Miss Brown has challenged herself to do something different for her one hour of exercise each day. She has been trying to beat her score of how many star jumps she can do in 30 seconds, doing some more yoga and running. Have you tried any exciting new ways to keep active?

She has also FINALLY completed her puzzle, but found there was one piece missing at the end 😞 Miss Brown has decided to try to dress in all of her brightest clothes to keep her feeling positive. Can you brighten up your day one day this week and wear your brightest, most colourful outfit and see how it makes you feel?

Miss Horan has also been doing some baking and made a lemon drizzle cake and some fruity flapjacks! However, her family ate most of it before she could get a picture!

Miss Horan decided to challenge herself this week to learn how to use watercolour paints. She found it very relaxing and enjoyed learning something new.

Miss Horan is very proud of how she's done but wants to keep improving! Have any of you been working to improve a skill or learn a new one?

We are missing you all lots but we look forward to hearing from you again soon!

From Miss Horan, Miss Brown, Miss Woolley, Mrs Brady and Mrs Cottle 😊
