

Monday 27<sup>th</sup> April 2020

Hi 1C,

How are you? I hope your first week of the Summer term has gone well. It's been so lovely having so much sunshine this week, I've been playing with my girls lots in the garden and we've done lots of arts and crafts outside this week.

We made a rainbow wind chime using sticks that we painted and its hanging in front of our house for people to see what they walk past. We also did a paint splatter picture in the garden which was so much fun. Maybe you could have a go at the wind chime or splatter painting and send me a picture. Both were really good fun.

I hope your home learning is going well and I'm sure you are all working really hard. Don't forget to email us if you need any help with anything.

I have loved reading the emails you have sent me so please stay in touch- your messages always really make me smile.

Stay safe and take care

Lots of love to you and your families

Mrs Field
