

Monday 4th May 2020

Hello 1C

I hope you are all ok and that you had a good week last week.

I really enjoyed calling and chatting to some of you and your parents last week and I know Mr Hemming and Miss Phillips also spoke to some of you and they said it was lovely to hear about all of the wonderful learning and activities you have been doing. It was great to hear about all of the hard work you have been doing at home but also all of the amazing activities you have done such as baking, cycling, online dance classes and lots of arts and crafts.

This week at home I made my little girl a barbie house out of cardboard boxes, it even has a swing and a bunk bed. I wonder what you can make from a cardboard box? I would love to see some pictures if you do make something. Don't forget you can email me pictures of the work you are most proud of so I can see what you have been up to.

Keep up all of the hard work and keep smiling.

I look forward to seeing you all again soon

Stay safe

Mrs Field
