

Monday 4th May 2020

Hello 5F,

How are you? I hope you are all well and that you have been getting on ok with your recent home learning.

It has been so lovely chatting to you and your parents recently and I am so proud of all of you for the amazing attitude you have to your home learning. I can't wait to see some pictures of the wonderful work you have been doing but I have to admit I'm even more excited about all of the amazing baking lots of you have been doing. I really hope you will keep baking when we get back to school so you can bring some of your yummy treats in for me to try.

Reading your newspaper reports has really made me smile this week, some of them have even made me laugh out loud so well done. If you haven't emailed a copy of your newspaper report please do as it would be lovely to make a year 5 book of these reports for us all to look back on when we get back to school to see what everyone got up to during their time in lockdown.

You will see that this week myself, Miss Newman and Miss Simpson have put together a year 5 newsletter so please have a read and remember if you can send in some amazing work to the shared email we might feature it in our weekly newsletters.

Keep up the hard work and keep smiling. You are all wonderful and I can't wait to speak to and see you all again soon.

Stay safe

Mrs Field
