

Monday 4<sup>th</sup> May 2020

Hello 5B,

I was about to write to you all last week when a letter from Miss Bodycombe came through. Unfortunately, while she has been off with her beautiful baby, she has forgotten almost all of her year 5 Grammar. Can you please help her by putting in all the corrections?

I would also like to set a creative challenge this week. So many of you have sent in photos to me and it gave me an idea. Please can you all take a photograph of something from nature this week? You could take an up close picture of a tree trunk or the picture of the whole tree, a picture of a whole flower or just a close up of a petal. It could be a view from a window or something you take when you are outside. When you have taken some photographs, please send me the one you like best so I can see how many budding photographers we have!

We are all missing each of you a great deal and hope we will all be able to be together as soon as it is safe.

In the meantime,

Be Good, Be Kind, Be Happy and .... Be Safe

Mrs Simpson and Mrs Bodycombe

Dear 5B,

i hope this letter finds you all well and that you are all keeping safe at home. It has been wonderful to here from Mrs Simpson and the fantastic learning you are doing at home and I am so proud of you all. I know it is hard, and quite possibly the last thing you want to be doing whist at home, but please believe me when I say that it is very important. since being in year 5 you have learnt and worked so hard and it wood be such a shame to now forget all of that learning so please keep going and do youre best. If you are trying your best that is all we expect. It will help if you have frequent breaks and when you are finished do something you love. i have loved baking lots of cakes and my next challenge is to bake Viennese whirls but I have a feeling they will be eaten very quickly in my house. What is your favourite thing to do.

I thought you may want to hear how Edward is doing. As you know, baby Edward was born on the 4<sup>th</sup> February and he is doing very well. He was very littel when I last sore you and he has got very chubby since which is wonderful. He is keeping me very busy but enjoys sitting next to George who is also doing his home learning watching everything he dose and creating very stinky nappies! We have many conversations obviously these are very one sided but yesterday I think he said “Hi noun”! George said it was a yawn but im confident he clearly was listening to our learning from inside my tummy! Can you remember what a noun is? What is the different between that and a proper noun?

I understand that every day is the same at the moment but we have so much to look forward to when we all get together again. What will be the first thing you do when lockdown is over. I think I will be getting my hair cut because i tried to do it myself witch was not very successful! However, even though we are all apart, I think of you all every day and miss you very much. I have many conversations with Mrs Simpson and she to is missing having you as her class but we are all still the 5B family until you get ready for Year 6! Just make sure you haven’t grown too much when I see you next – it is not allowed

Keep trying your best and remember mistakes are proof that your trying. I can’t wait to here about everything you have been up to very soon.

All my best wishes and remember to keep safe and stay at home. 

Miss Bodycombe x
