

# HELLO FROM YEAR 2

Hello year 2,

We have really enjoyed speaking to you all over the last couple of weeks and it is lovely to hear that you are trying your best with your home learning. You are keeping up the school values even at home, showing COMPASSION and tolerance as part of our COMMUNITY; RESPONSIBILITY and RESILIENCE when the learning becomes a little difficult and you know that you have to keep trying; RESPECT for your adult when they are trying their best to support you in your home learning and EXCELLENCE in the effort you put into your work. Every week, we really look forward to seeing a piece of your fantastic work!

Your challenge this week is to make your new game that you invented for your English lesson. Send us pictures of your new game, we can't wait to see them!

This week we have made you're a word search. Complete ours and then have a go at making your own one.

## Significant People

My Significant Person

My Significant Person

Did you know that Marie Curie came from a poor family and she invented X-ray. She is the only woman to have won the prize twice.

Did you know that my Mum is the best. My Mum is a asset manager. She is so so so so so nice. She helps anyone if they need help. And she helps me do things. I don't know what I would do without her.

History | KS1 | Nurturing Nurses | Significant People | Lesson 2

Captain Tom raises £32m!

Ex soldier walks up and down his garden 100 times for charity.

Captain Tom wanted to raise £1,000 for the NHS. They had helped him when he had a hip operation.

He decided to walk 100 times because it was going to be his 100<sup>th</sup> birth day soon.

Everyone loved Tom's story so wanted to donate money.

Well done Tom!

I can explain how Florence Nightingale improved nursing.

Look at the picture above. Explain what the problems were at the hospital and how Florence Nightingale solved them.

The hospital was overcrowded and unclean. Florence worked hard to make the hospital's cleaner for the soldiers. Florence decided to make conditions better. She brought basic things such as bandages, cloths, blankets and better food. Florence also asked the government for supplies. Florence checked on her soldiers during the night with a lamp and was given the name 'Lady with the Lamp'.
