Dear Parents/Carers,

Re: Year 1 Homework and Google Classroom

You should now have received the log in details for Google Classroom for your child. This was put into your child's book bag in the last few weeks. As a school, this is the platform that we will be using for homework going forward.

At Hayes, we use a homework menu style system. The menu offers a choice of homework tasks that can be completed in any order. Children receive a new menu at the beginning of each term. The menu outlines 10 homework tasks that are linked to the learning that will take place over the course of the term (including 2 Maths and 2 English tasks).

By the end of each term, the children will be expected to have completed a minimum of 5 homework tasks of their choosing - this *must* include 1 English task and 1 Maths task. Children have the opportunity to complete more tasks if they would like! Some tasks will have an optional challenge that the children can complete to extend their learning further. The children will receive certificates, based on the amount of tasks they complete in a term, to celebrate their efforts:

- Bronze award = 5 tasks completed
- Silver award = 8 tasks completed
- Gold award = 10 tasks completed
- Platinum award = 10 tasks completed + a minimum of 2 challenges

The homework menu can be found on the classwork tab when you log into Google Classroom. This is then broken down into individual tasks.

Tasks should be completed on the computer and uploaded to Google Classroom or completed on paper and then either scanned or a picture taken and uploaded. If you have a smart phone, you can log in to Google Classroom and upload a photo from there.

If you have any questions, please get in touch with your child's class teacher.

Yours sincerely

Mr Hemming

Year 1 Year Group Leader
