

Wednesday 18th November

Dear Parents and Carers,

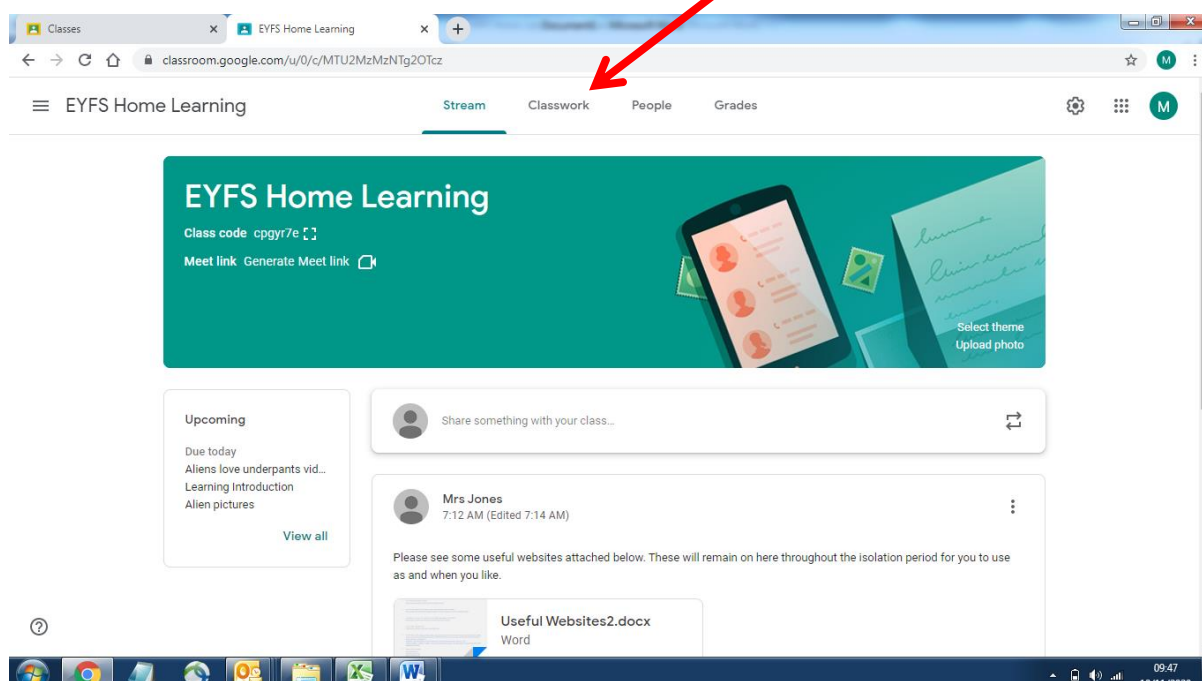

Your child will be set learning on a daily basis via Google Classroom. Your child will have come home from school yesterday with their login and passwords in order to access this. The website is www.classroom.google.com

Learning will be uploaded each day and you will need to upload the piece of work that we ask you to upload in the 'Learning Introduction' film clip.

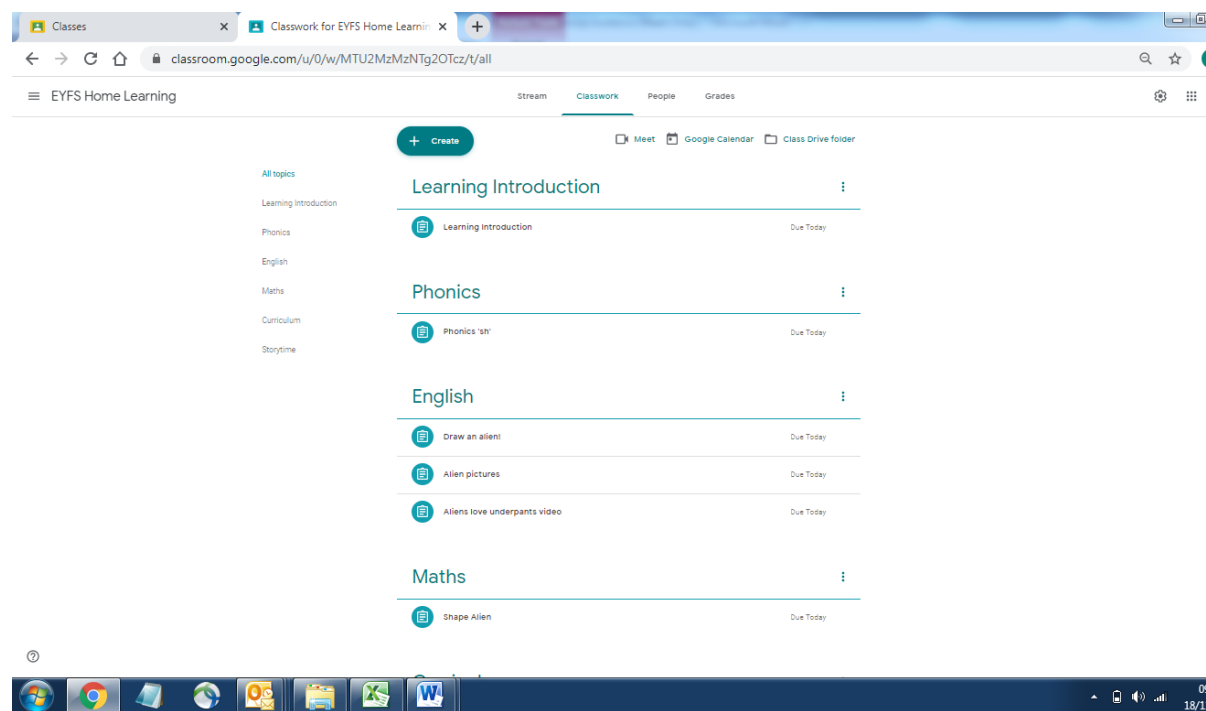

Once you are logged in you will see a 'Home Learning' classroom and a 'Homework' classroom. During this isolation period your child will need to access the 'home learning classroom.'

You will then see the following page and you need to click on the 'Classwork' tab.

There will be four different learning tasks that have been set for the day. Children should watch the phonics clip and story time clips and complete the English, Maths and Curriculum tasks that they are set for the day.

The screenshot shows a Google Classroom interface for a class named 'EYFS Home Learning'. The left sidebar lists 'All topics' with sub-items: Learning Introduction, Phonics, English, Maths, Curriculum, and Storytime. The main content area is divided into sections for each subject, each with a list of assignments and their due dates:

- Learning Introduction**: One assignment titled 'Learning Introduction' due 'Due Today'.
- Phonics**: One assignment titled 'Phonics 'sh'' due 'Due Today'.
- English**: Three assignments: 'Draw an alien!' due 'Due Today', 'Alien pictures' due 'Due Today', and 'Aliens love underpants video' due 'Due Today'.
- Maths**: One assignment titled 'Shape Alien' due 'Due Today'.

The top navigation bar includes 'Stream', 'Classwork', 'People', and 'Grades'. The bottom of the image shows a Windows taskbar with various application icons.

We look forward to seeing the children's learning.

Many Thanks
The EYFS Team
