Dear Parents/Carers

Re: Google Meet feedback.

The Government announced on Wednesday that all schools will not reopen until Monday 8th March at the very earliest. As a school, we know and understand the very real challenge that this brings for all members of our school community, whether this be working from home, supporting elderly relatives and most importantly supporting your child's remote education.

As a school we will continue to develop our remote education offer. Currently, we provide a 'live' Google Meet session for each class every morning, a pre-recorded video introduction to the learning for that day, one pre-recorded video for English or a wider curriculum subject and finally a White Rose Maths video. We have decided to structure our remote education in this way as it gives parents a greater degree of flexibility in how to organise their day as they will often have many competing commitments.

We would appreciate it if you could spare a few minutes to give feedback on the daily Google Meet sessions.

These feedback forms will be posted on the 'Stream' of your child's home learning class. Alternatively, you can use the links below.

KS1 feedback form

<https://forms.gle/acBbes6jzAwcpZ6j8>

KS2 feedback form

<https://forms.gle/6HkQJKHQN4y4s54s8>

I would like to thank you for your continued support and positive feedback which you have given to staff.

Yours sincerely

Mr Vitarana
