Dear Parents/Carers,

RE: PSHE Homework – Hayes Community Foodbank

This term's homework menu includes PSHE homework as follows: Carry out an activity that will make a difference to the world and to your community.

In order to aid children in completing this, we have organised for a Foodbank collection at school. On Thursday 10th and Friday 11th June, children can bring in food/household items from the list below. A member of the Foodbank will then come to collect the items the following Monday to take to the Foodbank. By taking part in this project, the children will be helping those in our Hayes Community who may be struggling financially at the moment.

Many thanks,
The Year 6 Team
