Dear Parents/Carers of Year 5 and 6,

## Re: Eedi – free Maths Summer Club

A company called Eedi is offering a Maths Summer Club during the summer holiday for children in years 5 and 6. It will provide online lessons and videos as well as the opportunity for live tutor support. As a school, we do not work with Eedi directly, but their Head of Education, Craig Barton, is a very well-known educational author and their lessons are in line with White Rose Maths which we use in many ways in our maths lessons at Hayes.

By following the link below, you will automatically get Eedi Summer Club 100% free of charge if you sign up before June 14th.

We wanted to share this with you in case you would like to give your child(ren) the opportunity to continue with their maths learning over the Summer period.

Many thanks,
