Dear Year 2 Parents/Carers

Re: Ice Age Immersion Day

As part of our history curriculum, Year 2 will take part in an immersion day about the Ice-Age on **Friday 9th July**. This will be a stand-alone day where the children will spend the day learning about a different part of history from their other topics. Over the course of the day, they will take part in a range of activities such as digging for fossils and creating cave paintings. They will also be given the opportunity to make links with what they have learnt in their other history topics this year.

We would also like the invite the children to wear their **own comfy and practical clothes** as they will be taking part in a range of activities that will be messier than usual school lessons.

If you have any questions, please speak with your child's class teacher.

Kind regards,

Miss Laffan, Mrs Inch and Miss Condren
