Dear Parents/Carers,

### Re: Year 6 Transition

We have had some questions regarding the Hayes Secondary transition morning on Tuesday 6<sup>th</sup> July so we are writing to clarify a few things:

#### If your child is going to the Hayes Secondary Transition morning

The transition morning finishes at 11:35 and children should come straight back to school after this. Some children have said they will be walking back independently whilst some are being collected and dropped back to school. Either way, children should enter via the pedestrian gate entrance (despite this being contrary to the one way system). Miss Hughes and I will be at the top of the gate from 11:45 and will register the children as they come into the school grounds. They will then have their normal lunchtime at school before their afternoon lessons.

#### If your child is not going to the Hayes Secondary Transition Day

Children who are not attending the Hayes Secondary transition morning should come to school as normal unless they are attending a transition event at another school. They will be grouped together in one or two groups and will be helping to make props for the Year 6 production.

Many thanks,

Miss Wilcox  
Head of Year 6
