

Thursday 8th July 2021

Dear parents/carers,

Re: Y5 Immersion day

As part of our history curriculum, each year group will be running a day in which the children revisit a topic that they have previously learnt about in history. The aim of this day is to allow the children to recap their prior learning and make links between this and their current history topics. The day will consist of a variety of hands-on activities, some of which will take place outside on the field.

Our immersion day will be on Tuesday 13th July and our topic is the Romans. The children should arrive in school at their usual time and in correct school uniform.

If you have any further questions about the day, please contact your child's class teacher.

Yours sincerely

The Year 5 team
