Dear Parents and Carers,

### RE: Your child's year group information and learning

We have had a great start to the new school year and it is wonderful to see and hear all the children enjoying their learning and socialising together.

Please find below details about where to find key information for this term.

#### Welcome to the year group video

Your child's class teacher and the other teachers in the year group have recorded a video to give you some key information about what to expect in your child's year group, important dates and other useful information.

We really recommend that you watch this to find out about life in your child's year group.

You can access the video by clicking on the link relevant to your child's year group:

#### Homework menus

Homework menus for this term have been uploaded on to your child's Google Classroom. When they log in, there will be a homework classroom for their class. There is more information in the welcome videos about this.

#### Autumn 1 curriculum newsletter

This newsletter is to give you an overview of the learning taking place in your child's class this half term. We hope that this will enable you to more effectively support your child at home.

We will send these newsletters out at the beginning of each half term via ParentPay and they will be available on the school website (please see details below).

### Knowledge organisers (used by the children in lessons)

To support many of our subjects in school, we use knowledge organisers that provide a more detailed breakdown of the learning in that subject. These documents are referred to, by the children, during lessons and have also been uploaded to the school website for you access at home if you would like more information.

### How to locate the curriculum newsletters and knowledge organisers on the school website:

Click on the 'Pupils' tab at the top of the page and select your child's year group.

On the year group's page, you will see the links to the knowledge organisers and curriculum newsletters.

Please speak to your child's class teacher if you have any questions about your child's learning.

With best wishes

Miss Hughes  
Deputy Headteacher
