Dear EYFS Parents and Carers,

## RE: Your child's year group information and learning

Mr Vitarana, Mrs East and I very much enjoyed meeting you at the welcome meetings before your child started school. It has been fantastic to see the children enjoying their new classrooms and outside spaces.

Please find below some details about where to find key information for this term.

### Homework menus

Homework menus for this term have been uploaded on to your child's Google Classroom. When they log in, there will be a homework classroom for their class. You will have received a separate letter about Google Classroom.

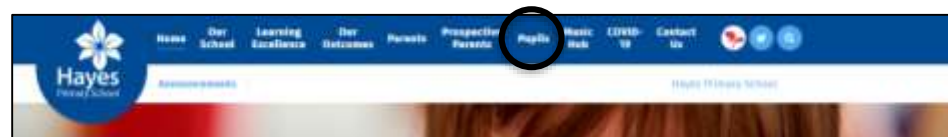

### Autumn 1 curriculum newsletter

This newsletter is to give you an overview of the learning taking place in your child's class this half term. We hope that this will enable you to more effectively support your child at home.

We will send these newsletters out at the beginning of each half term via ParentPay and they will be available on the school website (please see details below).

### How to locate the curriculum newsletter on the school website:

Click on the 'Pupils' tab at the top of the page and select your child's year group.

On the year group's page, you will see the links to the curriculum newsletters.

Please speak to your child's class teacher if you have any questions about your child's learning.

With best wishes

A handwritten signature in blue ink, which appears to read "Hughes".

Miss Hughes  
Deputy Headteacher
