Dear Parents/Carers

## Re: Seed and Bulb Donations for Respect Values Day

As part of our whole school focus and one of our core values, respect, we will be marking the anniversary of the end of the First World War by planting bulbs and seeds on our school site.

We are therefore asking parents to donate a bulb which children will plant on Thursday 11<sup>th</sup> November. This will be a lasting way for children to show their respect for the people who served and protected this country in the First World War.

We are asking for donations of dwarf daffodil, allium and tulip bulbs along with wild poppy seeds and yellow rattle wildflower seeds.

Please send in your bulb/seed donations with your child by Friday 5<sup>th</sup> November 2021 in a named carrier bag.

We thank you for your continuous support with our projects.

Yours sincerely,

Mrs Savvides  
Outdoor Learning Team
