BYMT Recorder Lessons

I wanted to let you know I have some spaces for individual recorder lessons for children in Year 1 & 2. The recorder is a great instrument to start with and to learn to read and play music. From Year 3/4 children are then in a great position to go onto another instrument using the skills they have gained. I also teach the oboe and have a number of pupils who started in their younger years on the recorder. If you are interested please fill out a form at the office and lessons will start after half term. Libby Relph

Reporting Illnesses – Details of symptoms must be given

Could we please kindly ask that, when you are reporting an absence for your child due to illness, ***the full symptoms of the illness are provided***. We are then able to record the illness absence correctly, and are able to identify common illnesses in a particular class or year group. Please see and follow the COVID-19 Symptoms Protocols circulated on September 9<sup>th</sup> should your child display any of the COVID-19 symptoms. We appreciate your cooperation and support in this matter.

Any absences have to be reported to the school no later than 9am. ***An absence MUST be reported every day until your child returns to school, even if this is a continued absence.*** This ensures we can follow our Safeguarding procedures.
