

We are pleased to announce that our After School Spectacular Science Reception club will commence in January.

Spectacular Science Club is an afterschool club which offers an hour of awesome fun in which children can learn more about the wonderful world of science. During each session children are truly engaged with different hands on science experiments including rockets, volcanoes, slime creations, slushie making, learning about the planets, magnets, lava lamps and lots, lots more.

Spectacular Science Club has been running at Hayes Primary School since September 2018 and has proved to be a huge success. Sessions are for one hour after school on a Monday and will commence on Monday 10th January to Monday 28th March (11 sessions) All science leaders are enthusiastic, trained and have enhanced DBS checks. Children will be collected from their classroom and taken to Flamingo Class. They will need to be collected at 4.10pm from the outside of Flamingo classroom.

Sessions cost **£6.50 per child** per session(£71.50 for the term) and must be paid termly in advance.

If your child is interested in joining Spectacular Science Club please email:

admin@spectacularscienceclub.co.uk

stating your child's name, class and contact phone number. Please note that spaces are very limited and will be offered on a first come first served basis.

Kindest regards,

The Spectacular Science Team
