Centre Update

Coming up in the next few months:

We have a number of fantastic new courses to look forward to in the coming months, as we enter a new year of activities. Keep an eye out for further information about these!

We will be continuing to run our popular 'Let's Play Sports' sessions from 22nd April – 27th May at 1pm – 2pm.

Look out for our social media pages for more information and updates about what is happening at our centre. Search [@thebromleychildrenproject](#) on Facebook and Instagram.

What's on this month....

In March we are running 'Let's Play Sports' sessions, every Thursday afternoon. These are fun sessions designed to get your child moving and to help develop their coordination.

Sensory Room

Please remember that you can book our sensory room on Wednesdays. We have two sessions: one at 10am and one at 2pm. These are very popular, so please do book early to secure your space!

Learn and Play Music and Movement

We have several Learn and Play Music and Movement sessions throughout the week. Babies and children love listening to music and it really supports their development. So bring your little one(s) along to a fun session filled with singing, dancing and lots of happy smiles!

How to find us.....

Burnt Ash Children and Family Centre is based at Burnt Ash Primary School.

To access the centre there is a pathway to the right of the school which leads directly to the centre. The nearest bus stop is directly outside the primary school (route 336) or there is a stop on Burnt Ash Lane served by route 261.
