****Dangerous use of path****

Please can all parents and children be reminded to dismount from bikes, bikes with transport for children on them and scooters before entering the school grounds. There have been several incidents reported to the school of near misses this term.

Reporting Illnesses – Details of symptoms must be given.

Could we please kindly ask that, when you are reporting an absence for your child due to illness, *the full symptoms of the illness are provided*. We are then able to record the illness absence correctly, and are able to identify common illnesses in a particular class or year group.

Any absences have to be reported to the school no later than 9am, please state your child's name and class. ***An absence MUST be reported every day until your child returns to school, even if this is a continued absence.*** This ensures we can follow our Safeguarding procedures.

Congestion

We would like to encourage KS1 parents and children to use the vehicle gate entrance to ease congestion on the pedestrian gate at drop and pick up times.

Safe Driving and Parking

Please could we ask all of our Hayes community to be kind and considerate to our local residents. This includes courteous parking, please ensure you are not parking over the residents driveways, safe driving and polite conversation. Our neighbours are part of our school community and it is important that we work together to create a pleasant and enjoyable atmosphere for children, residents, parents, carers and friends of the school.
